
Reports on the course of SET

Based on Art. 8 paragraph 4 of the Code of Rules for the Evaluation of Education by Students and Graduates of Charles University, the faculties are obliged to prepare a report on the course and use of the results of evaluations by students and graduates of teaching (SET, Student evaluation of teaching) realised at the faculty in the relevant academic year. Pursuant to paragraph 5, the Rector then submits to the Internal Evaluation Board and the Academic Senate of the University an overall report on the evaluation of education by students and graduates of the University in the relevant academic year.
