
Round table for SET

The round table for the student evaluation of teaching (SET) is a space for discussion between individual groups involved in the evaluation of teaching; these are generally representatives of the Rector's Office, academic staff and students. It is an informal meeting at which presented, inter alia, outputs from previous surveys, methods used to obtain these, and activities being prepared for the future.

Meetings:

13.4.2023, 16:00 – 18:00, Blue Auditorium
